This is a four bedroom town house that has been stripped back to a bare shell and then painstakingly refurbished to create a stunning family home on the outskirts of Ilkley.

The entrance hall leads into a very spacious open-plan living area, with natural light flooding in from the front and rear through the new windows. A beautiful kitchen with a breakfast island dominates the western end of this floor, with tri-fold doors leading out to the rear gardens.

To the first floor is further living space overlooking the front of the property, the first of three double bedrooms, the luxurious new house bathroom and a child's bedroom/study. Above this will be two additional double bedrooms with fantastic elevated views, and another superb bathroom.

Outside to the front will be a landscaped parking area and lawn, to the rear is a private patio and lawn looking out over the Wharfedale countryside.

21A Wheatley Lane will be a marvellous family home when complete, and in the very best of locations for family life, commuting and country pursuits. A reservation can be made after viewing the property, full details of the structure of the purchase will be discussed at your viewing appointment.
