

Occupying a substantial plot in one of Chislehurst's premier roads we are delighted to offer this beautifully presented family home built to a traditional style.

The welcoming entrance hall with light oak panelling is the first room you see which gives access to all the principle rooms. The large lounge has an open inglenook fire place and views over the rear garden. The dining room is panelled in light oak and also affords pleasant views to the rear. The good sized kitchen/breakfast room is fitted with quality hand built units with recycled glass worktops. There is access from here to the utility room.

The half galleried landing on the first floor gives access to five bedrooms, most of which are doubles with modern ensuite bathrooms. The top floor contains a master suite comprising a large double bedroom with access to a balcony, a dressing room and ensuite bathroom.

The southerly aspect rear garden is a sheer delight being well stocked with a variety of shrubs and flowers. There is a large level patio area with a winding path that ascends to the lawn and a wooded area beyond. To the front is a carriage driveway which provides ample parking and access to a double garage.

The location is excellent being half a mile from Elmstead Woods station and a mile from Chislehurst High Street, common and ponds.

Early viewing of this end of chain property is highly recommended.
